Came on for consideration the above-captioned action wherein Johnni A. Lundy is plaintiff and Michael J. Astrue, Commissioner of Social Security, is defendant. This is an action for judicial review of a final decision of the Commissioner denying plaintiff's claim for disability insurance benefits under Titles II and XVI of the Social Security Act. On March 17, 2008, the United States Magistrate Judge issued his proposed findings, conclusions, and recommendation and granted the parties until April 8, 2008, to file and serve objections. Because timely objections have not been filed, the court accepts the proposed findings, conclusions, and recommendation of the United States Magistrate Judge.

The court ORDERS that the Commissioner's decision of November 18, 2005, be, and is hereby, reversed, and that this action be, and is hereby, remanded to the Commissioner for further proceedings consistent with the findings, conclusions, and recommendation that the court has accepted.

SIGNED April 17, 2008.

United States District Judge
